Our Mission: Established in 2015, Eltham Panthers Junior Netball Club is a proud, inclusive and active community organisation that exists to promote, develop and nurture the development of netball skills, sportsmanship and teamwork in our kids. The Club takes pride in its members and values the hardworking volunteers, on whom it relies to create our strong sense of community

Our Vision: By 2023, the Eltham Panthers Junior Netball Club will continue to grow in strength by investing in the development of our coaches and players, maximising the involvement of our families through strong member advocacy and positive communication to promote retention of existing members.

Pride
We are proud to promote and foster an interest in netball, playing within a team and maintaining social involvement through sport
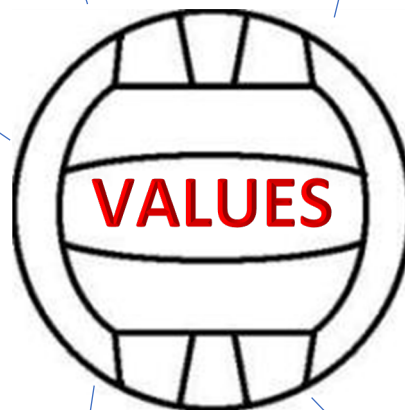

Ability & Diversity
We welcome players of all abilities, gender identities and backgrounds

Nurturing
We foster further development in our players and coaching teams so that may continue to enjoy growth in their expertise, mindset and self-belief

Teamwork & Communication
We acknowledge and celebrate the contribution made by all players, families and volunteers that help make our Club great, both on and off the court. We fundamentally believe that good communication is paramount to promoting positive relationships between committee and members, coaches and players and amongst the team-mates in our Club

VALUES

Humility
We will always listen, always learn and always be grateful

Encouragement
We motivate, support and develop our young members so that they are continuously and consistently encouraged to achieve their very best for the sake of their team and themselves

Responsible
We invest our members fees back into our Club and maintain a healthy bottom line for the future

Sportsmanship
We actively respect fellow teammates, coaches, umpires and clubs, and support one another in demonstrating fairness and integrity, on and off the court
